Half term next week – have a lovely week

Youth Speaks

Well done to both our teams who put on amazing performances in the first round. The competition seems to be getting tougher year on year. The Wedding Planners got through to the next round which was last night and are now through to the final we are so proud of them all; standing up there in front of so many people is not easy for us as adults, let alone children.

Mrs Cudmore

Apologies that I have not been visible within school for the past 2 weeks, I have been told not to have contact with children until tests come back to show I am immune slap cheek. I have been in contact with children who have had this and have been unwell. Unfortunately it can be dangerous for pregnant women under 20 weeks. I am hoping things can return to normal after half term.

Red Nose Day 18th March

The school council would like children to come to school in silly uniform (anything crazy that will make us smile) for a 50p. Red noses are on sale from the office at £1 each. We will be having a cake stall, so any cake donations will be gratefully received. They will be sold for 20p each. We will also be having some silly obstacle races and other fun events within school.

Evacuee Week

During the week of the 21st March we will be transforming classrooms into railway stations, shops, post-offices and technology areas to make things as part of our WW2 studies and linking this with texts we are reading. We would love children to come to school on Wednesday, Thursday and Friday of this week dressed as evacuees to enable them to fully appreciate the experience. On the Thursday after school Class 3 and 4 will stay behind to make and eat a WW2 supper, then Yr 4, 5 & 6 are invited to sleep over as part of their transition for next year. Further details will follow after half term

Bringing up Children is the most important job in the World

Come and meet with other parents and share the joys and challenges of life with children. Gain support, ideas and skills to help make family life easier and happier. Find out more at the free introductory session Tuesday 8th March in St Mawgan Ann Rogers 07964 307806

Are you a parent or carer who wants to study, but can't afford the fees

Cornwall Council are offering the following to people who qualify: Aged 19+, unemployed, but not in receipt of an income based benefit, a carer **or** parent? And have been for at least 5 years, studying, or thinking of studying, a qualification course with Cornwall Adult Education Service?

If you have answered **yes** to all of the above, we **may** be able to help you with funding for your course; email the Learner Services team on learnerservices@cornwall-acl.ac.uk

Mini bus drivers

We are able to use the community mini bus for short local journeys and currently have one parent trained to drive it. If there is anyone else who would like to become a driver for us, or the wider community please let Mrs Worrall know.

Tubestation

The governing body wish the community to know that we are in no way linked with Tubestation. They hired our hall to enable them to deliver a presentation to large groups. There has been some confusion about our links and whilst we wish them well, we are in no way linked.

Play Rangers creative activity days

Creative activity day Wadebridge Leisure Centre

Tuesday 22 February from 10am 3pm for 8 to 13yrs or 5-7 yrs with an adult , cost £11

PTA

Barn Dance- You will be able to buy tickets from school throughout March, but in April the tickets will go on sale to the community.

Mothers' Day

On April 1st we will be putting something special together for mums. Presents will be £2 per family.

Other events that are currently being planned are; workshops for children and their dads, granddads, uncles in making a clay oven and bird hides, the summer arts festival and sports day.

Advertisements

Due to the huge demand of flier advertisements that we are being asked to put in book bags we have agreed that we will only be advertising things through 1 x A4 poster within the parents notice board. We will only be putting things in book bags that are directly linked to school, PTA, the LA and extended services.

Swimming and surfing

Just to inform you, although it is a while off, we will be swimming and surfing in the week beginning May 23rd and there will be a charge of £ 12.50 a week for swimming and £25 for surfing, this is also subsidized by the PTA. We thought by letting you know now you can start to save.
